COMPANY PROFILE

Translingoworld is an ISO 9001:2015 certified global leader in providing exceptional high-quality document translations with an emphasis in the Financial, Medical/Life Sciences, Legal, Engineering, Marketing/Advertising, Petroleum/Mining, and IT disciplines. Globally, we have native language, field-specific linguists who meet the stringent requirements of professional translation standards.

Our strength is in technical document translation services in over 100 languages ensuring that your message is as clear and accurate in the target language as it is in the source language.

Apart from translation, we offer Interpretation, Transcription, Subtitling, Proofreading, and Multilingual staffing services all over the world.

It gives us immense pleasure that your work confides with an MSME registered, ISO 9001:2015 Certified Company!

COMPANY VISION & MISSION

Vision

Our goal is to become the number one Language Solutions Provider across the globe by using processes, people, and technology to focus on our clients' needs and build trusting relationships, helping them communicate successfully across international markets and cultures.

Mission

- Language shouldn't be a barrier for anyone, but an opportunity.
- That is why we work to create a future where everyone can communicate more meaningfully and be understood.
- We seed and nurture solutions for today and design the ones for tomorrow. New workflows, new languages, new tools to build a service that helps shorten distances and make our planet a little smaller.
- Ultimately, our daily commitment is about helping human potential thrive and encouraging diversity in all its forms.

WHAT WE

STAND FOR

Our global team is driven by a passion for languages that transcends every word we translate and every single customer experience we build. Our mission is to help preserve languages and heritage around the globe, improving worldwide communication through accurate, localized translation and interpretation services.

We strive daily to uphold the core values of intercultural respect and continued learning, developing opportunities for greater humanity. At Translingoworld, we continue to grow vertically and thrive off of the challenges that present.

We deliver on time and to budget, providing products and services that are unsurpassable in terms of quality and professionalism. We always continue to recruit and retain the very best professionals there are in the industry. And YES, we exceed customers' expectations, every time.

COMPANY

VALUE

Integrity

We believe that there is no more important trait in business and in life than integrity. We cannot respect others that do not exhibit it, and we cannot expect others to respect us without it. It is of the utmost importance that we unfailingly conduct ourselves ethically and honestly and commit to always doing the right thing, no matter how difficult that may be.

Service

When it comes to service, our clients depend on us to be consultative, proactive, and solutions oriented. We will consistently exceed our clients' expectations by underpromising and overdelivering. Our overarching goal is to spoil our clients, by WOWing them every single day, and we will settle for nothing less.

Own It

Act As If You Own It - We believe in empowering every person in the company to make decisions that have the potential to impact the entire organization. This means our people will continually innovate, and be ultimately accountable, as if they owned the company. We promote a positive, energizing, and fun environment. We passionately show pride in our brands and our heritage and aggressively promote and protect our reputation.

“See the good in yourself and in others. Everything's better when we're together”

OUR TRANSLATION WORKFLOW

1.

The Translation Quote

When you deliver the documents for translation, we analyse the amount of words and specifications needed for your translation process. We will send the quote and deadline for your project.

2.

Sign the contract

Once the client agrees to our quote and payment terms, we sign an NDA. Then we request our client to send the PO so that we commence the translation process ASAP.

3.

The Assigning Process

After receiving the PO from client, we start with the assigning process and find the best translator and proofreader for your project. We inform you about the progress of your translation by email.

4.

Technical part and QA process

After your project has been translated, our special technical team will review technical parts regarding your project if needed and a special QA procedure will be conducted.

5.

Delivery & Feedback

Once the QA procedure is conducted, we deliver the work to the client. After delivery we ask for client feedback which is key to make ourselves better every day.
